DELIVERY

GitLab, Code review, Estimation, Deployment support, SEO

CURRENT PROJECT CONTEXT

ONGOING / JAN 2026 - PRESENT

OneAuto

Services for automotive workshops in the TASCO ecosystem.

Next.js

Java

HOW I WORK

Collaborative by default

Clear context, useful reviews, and decisions that help the whole team move.

Always learning

Curious about better patterns, modern tooling, and the details that make products easier to use.

Grounded in delivery

Connect design intent to implementation, testing, and the practical work of getting software shipped.
